For the new quarter we will begin a study of the parables of Jesus. Each week we will study one or more parable and discuss what lessons Jesus is teaching us. Tonight's lesson will be from Luke 10:25-37. Our learning target is we can identify with the spiritual lesson Jesus is teaching us in the Parable of the Good Samaritan.

Congratulations! Melissa and Cyle have announced they are expecting a baby and they are thrilled! They request prayers for a healthy pregnancy and God's wisdom as they begin the journey into parenthood. We know they will be great parents. Psalm 127:13 *"Behold, children are a gift of the Lord, the fruit of the womb is a reward."*

Directory note: Brent and Gail have dropped their land line and the home phone no longer works. Please contact them on their cell phones. Thank you!

Thank you & goodbye: It is with great sadness that we are announcing that our family will be moving to Nashville in the next few months. We have enjoyed our time with the congregation here and will miss this body of believers. Though this last year has not gone as anyone would've hoped, you all have shown yourselves to be a beacon for Christ in the midst of a pandemic and in an area of the country where being a Christian can be difficult. We appreciate the leadership here and will pray that the local body at Kirkland will continue to grow in both Spirit and Truth. We love you all and hope to stay in touch after we leave. In Christian love, John, Jessica, Madilynn, Christian, Lexi, & Jax

PRAYER REQUESTS:

Sadly, **Simmon**, passed away from complications of COVID-19 earlier this week. Simmon left behind his wife, Caitlin, and their three children: an older adult child and two who are elementary age. They live near the Reagans and are also friends with the Wilmore, Perez, and Affolter families. Please pray for comfort for Caitlin and her children as they deal with this tragic loss. The family will return to the area on Monday.

Deanna continues to struggle after her fall. It has been more than two months since Deanna's injuries, and she continues to experience swelling and pain in her fractured foot. It is going to be a long healing process. On the positive side, her other foot is healing well. Deanna is still having long-term effects from having COVID back in January. It is like getting the virus again every few weeks.

Diane is still in Virginia Mason hospital in Seattle receiving nutrition through an NG tube. A source of current concern is getting rid of the infection in her liver. She remains in a very precarious situation. Diane says she misses all of us. There is a way to visit the hospital website and send Diane emails. If you could send her a get-well message it would certainly be a good way to cheer her up! No visitors are allowed for the foreseeable future because of Covid restrictions.

Becky, Brian Beeler's mom, has tested positive for Covid. She lives out of state and they have not been in physical contact. Brian is very concerned for her health and requests prayers.

Stan (Mitchell's father) is now at home and responding well to treatment. Mitchell's mom also tested positive and is doing well.

Bob completed therapy for recent car accident. He is excited about starting a new local newspaper called "The Northshore News." He asks for God's blessings on the new venture, and he thanks everyone for all the prayers recently.

Pray for our country, church, and leaders during these troubling times.

Continuing Prayer Needs:

Liz - chronic pain. Continues to search for help from pain specialists.

Corbin - post-acute Covid syndrome.

Warren - at home and fully recovered. His wife Debbie also has pneumonia and John requests prayers be focused on her.

Bryan - follow-up in 3 months. **Michell** struggles with an autoimmune disorder and needs direction concerning her job and other important life choices. They also ask for wisdom regarding Jaclyn's education and private school.

Gary - finished radiation treatments and should receive his results in the next month or so. Please continue to pray for a drop in the PSA counts and positive results from future CT and bone scans.

Shawn— loss of job. Plans to get a truck driver license and begin a new career. Currently dealing with back pain which is keeping him from getting out or going to services.

Pat's sister, **Delores** - Stage 1 lung cancer. Prayers for a full return to health.

Judy— unable to have visitors but appreciates phone calls. Will continue to quarantine until she receives the Covid vaccine.

N Family – continuing to quarantine due to Brooke's heart transplant.

Donna— continuing health struggles and the loss of her beloved husband Rick.

Pat & Sidonye— health struggles and isolation.

JoAnn - knee pain and difficulty walking, future knee replacement surgery.

Jeffrey, JoAnn's nephew, liver surgery with an extensive recovery ahead of him.

Pray for our family members who are serving our country in the armed services. Reuben is in the Navy, deployed to Japan. **Jake** is serving in the Navy locally.

Our brethren in the **Philippines** are struggling with numerous challenges during these times and need our prayers.

Joe would appreciate encouragement and contact with us.

Birthdays:

Crystal – Jan. 27

Ryan – Jan. 28
