Congratulations to **Valerie** on her retirement!

Prayer Requests:

Jim struggles with a weak immune system and his white blood count has been low lately. Jim is on antibiotics and his lymph nodes are shrinking. The doctor is amazed at how well Jim is doing, though, and Jim says it is because of the power of prayer and because of our awesome God!

Continue to pray for **Hallie**, her father **Tim**, and brother **Tyler** as they grieve the loss of their beloved mother and wife, Jennifer.

Pat was diagnosed with bronchitis and walking pneumonia.

Matt (21) and his girlfriend, Jessica (FC students and Christians in Tampa) were in an accident when Matt's pickup rolled 8 times. Matt has a head injury and had multiple skin grafts. Matt is healing up well and recuperating at home in the Tampa area. Matt's pain has increased, and he has to sleep on a recliner. Turns out a 24-year-old hit Matt from behind going over 100 mph. The man is now in police custody. Jessica remains in the hospital with multiple injuries. She is having PTSD and remembers the entire accident in detail counting each time they rolled. Jessica is having intense anxiety and nightmares.

Chase and Sofia request God's providential care for them as Chase's job is soon ending and he seeks new employment. With a baby on the way, they are looking for more stability and good health benefits.

Hannah's condition has improved, which is a step in the right direction. Please continue to pray. Hannah has a long way to go!

Bob praised God for his new job in the Spokane area near family. Bob has accepted an editor position at the *Cheney Free Press* starting Feb. 1st. Elly will remain here until their lease is up in mid-March. They thank everyone for all the prayers. We serve an awesome God who cares and provides for His children! We will miss the Kirkpatrick's as they serve God at another locale.

Marj, (Clinton's maternal grandmother) continues to struggle with a bed sore and UTI, and is uncomfortable. The family is grateful for the continued prayers.

Continuing Prayer Needs:

Our Expectant Parents – Sofia & Chase, Kyle & Michelle

Randy (father of Brent and Gail's son-in-law) – prostate cancer. Completed a series of 5 radiation treatments. All went well and Randy is very thankful for the good results. He thanks everyone for the support and prayers and for this age of modern medicine! He has had no bad side effects and the prognosis is good.

Kyle's father – Broken hip/hip replacement, recovery, and physical therapy.

Judy – moved to Riverside East Assisted Living Facility in Bothell (next to Bothell Senior Center).

Lalaneya – SIBO and treatment.

Joe – doctors continue to search for solutions to his seizures.

Chris – received a positive recommendation from the court that he is not required to have visits supervised when he is with his daughter. The positive report means it is quite likely the court will rule in his favor. Requests prayer for strength to deal with the temptations around him.

JoAnn – hopes to stay here until at least March. Requests prayers for her son-in-law who is in serious condition.

Dallas – prostate cancer.

Sina (Alphie's mom) – kidney failure, on the kidney transplant list. She is not doing well. Cards are appreciated. The family is thankful for the continued prayers.

Deanna – continues to search for answers for post-acute Covid syndrome. Deanna thanks everyone for their prayers and concern.

Liz – chronic pain. Continues to search for help from pain specialists. Liz is not only taking care of Deanna Bellingham (her daughter), but her ex-husband who relies on Liz to assist him while he struggles with treatment for his cancer.

Paul – experiencing severe pain in his back and one of his legs is totally numb. The place where he is living and serving as a care giver for a woman in the late stages of MS is not expected to last much longer. Paul asks that an open door be made available to him soon for an affordable place to live in the area.

Gary – continue to pray for a drop in the PSA counts.

Pat – challenges with lungs and bad cough, and rheumatoid arthritis flares causing bone pain.

Pray for our family members who are serving our country in the armed services. **Reuben** is in the Navy, deployed to Japan. **Jake** is serving in the Navy locally.
