A Note from Antoine and Angela Holloway
My wife, Angela, and I would like to express our gratitude for your kindness during our recent visit. It was a pleasure to meet you. Your faithfulness and zeal have truly invigorated us in our work for King Jesus. My prayer is that our Heavenly Father will continue to show us what is good, as we strive together in justice, kindness, and humility. Thank you for your encouragement.
Because of Calvary, Antoine & Angela

Note from Brian:

Dear Kirkland Church Family,

I moved to the PNW on a leap of faith. Finding the Kirkland church family and learning more about God's truth has been a true blessing! You have been a true "home away from home" for me. Thank you!

Unfortunately, I have not found a job here and I feel the need to get closer to my family in Kentucky, at least for now. So, I request prayers for a safe drive back home. I hope eventually I will be able to find a job in the area and be back with you all again very soon.

I'm very thankful to have grown closer to the Lord, and to have gained wisdom during my short time with you. The whole church family has been great to me! May God bless you until our paths meet again.

Your brother in Christ,
Brian Beeler

Brian, we're praying for your safe return to your family and that God will bless you on your journey. We are encouraged by your time here with us and by your faith, and we encourage you to continue walking with Him!

PRAYER REQUESTS:

Michell requests prayers on behalf of her family. Her three cousins, all brothers, have each lost a wife and now one has also lost a child. The family needs prayers for healing of fear, doubt, loss, hurt, void, and confusion, and that the Lord will provide guidance, strength, peace, fulfillment, and restoration.

Simmon passed away from complications of COVID-19 recently. Simmon left behind his wife Caitlin and their three children: an older adult child and two who are elementary age. The Mariani's live near the Reagans and are also friends with the Wilmore, Perez, and Affolter families. Please pray for comfort for Caitlin and her children as they deal with this tragic loss.

Deanna continues to struggle after her fall. It has been more than two months since Deanna's injuries, and she continues to experience swelling and pain in her fractured foot. It is going to be a long healing process. On the positive side, her other foot is healing well. Deanna is still having long-term effects from having COVID, it is like getting the virus again every few weeks.

Diane She is still in Virginia Mason hospital in Seattle, receiving nutrition through an NG tube. Diane is still suffering from the effects of long-term malnutrition and the resultant infection. Fortunately, the infection is slowly improving. The cancer is still there but it is secondary to her current infection and nutrition crisis. She will likely be in Virginia Mason for two more weeks. Her attitude is good, although she is battling frustration and concerns over the uncertainties with the medical issues and hospital life. Diane says she misses all of us. Barry says all the cards and messages she has received are immensely appreciated. Keep them coming! If you visit the Virginia Mason website (virginiamason.org) and hold your mouse over the tab "Patients and Visitors" you will see a link to "Send a patient an email." Be sure to include her room #1462. If you could send her a get-well message it would certainly be a good way to cheer her up! Also, pray for Barry as he deals with his mom's care.

Becky, Brian's mom, has recovered from Covid and is doing great!

Pray for our country, church, and leaders during these troubling times.
