Member News and Prayer Requests

2022 BIBLE READING PLAN:

Nick sent out two Bible reading formats for the new year on Realm. One Psalm is included each day for you to slowly pray through, making its words your own. By the end you'll have prayed through the book of Psalms 2½ times. Check it out if you have not already done so.

We'll use Realm as a discussion and encouragement platform, which allows for questions, comments, and inspiration to keep reading throughout the year.

"Thy word is a lamp unto my feet, and a light unto my path" (Psalm 119:105)

Sunday morning worship is available via livestream for those unable to join us in person. This link can also be used to watch adult Bible classes at the scheduled times.

Answered Prayers:

Cindy finished her last chemo treatment Wednesday. Her outcome is so good, they are suspending more intense chemo and have instead scheduled surgery for Feb. 7. She is thankful to God for her healing and grateful for all the prayers of so many.

Prayer Requests:

Jennifer's (Hallie's mom) condition has worsened and is receiving aggressive treatment for Covid. Every step is being taken, but she has remained in serious condition. Please pray for strength, her body and mind to rest and heal, and a full recovery.

The M.Family as they prepare for a move to Tennessee.

Jennifer has a bacterial infection and is very sick.

Michell and Bryan both tested positive for Covid last Sunday, pray for a full recovery. Michell is currently in California for her job; she was required to continue working, even though she was sick, due to workers being so scarce.

Hannah is still medically unstable and requires hospitalization. Her mentality and ability to cooperate are strongly linked to her physical state and continued malnutrition. Please pray that the opening for her at recovery stays available until she is medically capable to transfer from hospital to treatment.

Vivian (aunt of Jennifer Green and Laura Smith) passed away recently. Sadly, she was not a Christian and it is a difficult time for the family.

Bob requests prayers as he searches for employment.

Elly fell and broke two ribs. She is starting to feel some relief from the pain and becoming more mobile. She gives credit to God and all the prayers on her behalf for the quick improvement.

Alex has the Omicron variant and is at home recovering. Alex says he has recently relapsed back into some of his addictive behaviors and requests prayers for him to regain his spiritual strength to resist these types of temptations

Marj (Clinton's maternal grandmother) moved to an adult family home in hopes that a new environment will provide a better quality of life for her. Her bed sore has improved but not yet fully healed. We appreciate your continued prayers for her healing and comfort.
