Melissa's mom, Dorothy, had surgery last week and a subsequent stroke (unrelated to the surgery). Please pray for the clots in her brain to dissolve and for strength as she goes through rehab.

Elly (Becky's mom) received the results from a 2nd biopsy procedure. The mass in her stomach is a malignant gastrointestinal stromal tumor. Please continue to pray as Elly determines the best route for medical care.

Please continue to keep the entire S. family in your prayers, especially Clinton's mom, Paula, following the loss of her father Dan.

Maria (Julian's sister) has been very weak and struggling with very low, unexplainable hemoglobin levels. The next appointment with her doctor is November 1st. Maria asks that we pray for her that she may be able to properly assess all the info she receives from the tests and has the courage to do what is needed.

Prayers for safe travels for **Dorina**. She will return to her home country of Romania Oct. 21st through Nov. 8th. Dorina will pick up her mother and hopes to introduce her to the church family soon. Dorina has visited with us occasionally since March of this year.

Denise will be traveling Nov. 2nd – 9th

Randy, the father of Brent and Gail's son-in-law, is experiencing health issues and recently had surgery on his prostate. Randy was diagnosed with prostate cancer.

Alex's uncle Peter had open heart surgery and is not recovering well from the procedure. He is having serious complications and a lack of mental clarity.

Anil, who visits with us often, is looking for a job in IT and asks for prayers for open doors for him. They also are struggling with their green card process and hope it will be resolved soon.
