Congratulations to the George B. family! Friday morning after a Big Picture presentation of the gospel, three precious souls were baptized into Christ for the remission of their sins. **Heather** (George's wife) and their children, **Aja, and Jaden**. We welcome them all into the body of Christ. They would like to know us better before placing membership, but plan to worship with us regularly.

Sunday morning worship is available via livestream for those unable to join us in person. This link can also be used to watch adult Bible classes at the scheduled times.

The **T. Family's** last Sunday with us is Nov 27, and they plan to head out for Alabama on Nov 28. Their presence and faithful service in all things will be missed, but we know they will be a blessing in their new home. Please take a moment to say goodbye and bid them God speed while you have the chance.

Prayer Requests:

Hudson, Jan's grandson, has been struggling with a serious respiratory infection. Additionally, her grandson-in-law (and Hudson's father) Collin, has been diagnosed with Non-Hodgkin's Lymphoma. Please keep the family in your prayers.

Paul was in a serious car accident last Friday (11/11) due to a 21-year-old running a stop sign. His car was totaled, and Paul was banged up and is in a lot of pain. He would very much like to get a ride to Sunday AM services if possible. He lives in the Edmonds area.

Elly (Becky's mom) had successful surgery on Friday to remove cancer from her abdominal region. The surgeon believes he got a clear margin around the tumor so hopefully it will not return. She expects to be in the hospital for recovery about five days. The family appreciates the prayers!

Mike's biopsy on 11/15 went well and the doctor is confident it will provide the information they need. Mike has oncology appointments in early December to determine treatment options. The family is grateful for all the prayers offered on their behalf.

Gary is experiencing dizzy spells. Prayers for relief and healing from health challenges.

Alex was taken to the Swedish Edmonds ER late Thursday and then transported to Fairfax Everett on Friday. They will sort through his medications which have been off. Then the plan is for a 28-day rehab facility to deal with his addiction issues. Alex really appreciates prayers during this difficult time.

Adam and Clara request prayers that Adam would be blessed with 40-hour work weeks and that God might bless him with the wisdom to be a better husband. Also, prayers that God might find the perfect tenant for their townhome in Marysville.

Courtney requests prayers that her employer will return her to full-time work status.

Kathleen that God will open doors of new opportunity that will be a better fit as she experiences job frustrations.

Chase and Sofia that Sofia will be able to excel in nursing school, and at the same time, be able to have plenty of precious time for Mercedes.

Greg has decided to remain in California. He thanks everyone for the prayers.

Anil is searching for a job in IT and asks for prayers to open doors for him. They also are struggling with their green card process and hope it will be resolved soon.

Maria (Julian's sister) was diagnosed with fibrosis. She has a colonoscopy planned for December 7th. She is still very tired and sore but able to go to work. Maria plans to worship with us at Kirkland over the Thanksgiving holiday.
