Diane continues to show small improvements and her numbers have shown positive progress. The chemo has caused her to be malnourished and weak. Please pray for continued improvement in her lung function, liver, and nutritional needs. She continues to remain on oxygen and is in a regular room at Providence Regional in Everett. They hope that in about 10 days she can be released to go home. She will be on strong antibiotic treatment for about another month. Diane is unable to take calls and visits currently.

Andrea's uncle, Sergio (61 years old) passed away this week from Covid. Please keep Andrea and her family in your prayers during this time of loss.

Darren continues to recover at home from his knee replacement and the complications stemming from the surgery. It has been difficult but he is doing well and appreciative of the prayers.

Blake's blood clot has cleared and the pain is improving. He is expected to be released and return home to Houston on Monday for the remainder of his recuperation. (Blake is the son of Roma, a friend of the Hunter's.)

Shawn was laid off from his job this past Friday due to company downsizing because of the pandemic. He has no idea how long until he is able to access his unemployment benefits. In the meantime, he is looking into training as a trucker and the company will pay for his training and cost of his commercial license. Once again, Shawn will postpone his planned marriage to Lori until he gets on his feet financially.

Roy & Kristen are the proud grandparents of a fourth grandson! Milo Thomas was born on Wednesday to Amanda and Tom, weighing in at 8 lbs. 5 oz., and 21 ½ inches. Roy is looking forward to the possibility of having another football player in the family. The whole family is doing great.

Daniel & Suzanne are moving to Spokane to help Ron Cope build up the work there. We wish them God-speed!

Pray for our country, church, and leaders during these troubling times.

Continuing Prayer Needs:

Deanna – fell recently, fractured her right foot and broke her left foot. Unable to take pain meds so she is in terrible pain, cannot have surgery, and is waiting for scar tissue to form. In the meantime, she is wearing a boot for support and hobbling around the best she can. What a difficult thing to endure. Please consider sending Deanna a card.

Gary's – increased PSA count with 2 additional cancer spots. Radiation & possible chemo to follow.

Pete– very weak but doing better. Prayers for continued improvement. (Rachel's father)

Bryan - colorectal cancer surgery and recovery. Currently, no symptoms and doing well.

Michell – auto-immune disorder, direction concerning job and other life choices.

Bob – applying for a new job and undergoing therapy for recent car accident.

Pat & Sidonye– health struggles and isolation.

JoAnn - knee pain and difficulty walking.

Jeffrey, JoAnn's nephew, liver surgery with an extensive recovery ahead of him.

Those in our congregation who have been laid off and/or impacted by the health mandates. There are many who have been affected by layoffs and have a variety of challenges during this time. Pray for a quick resolution to the pandemic and that Satan will not be able to use this health crisis to divide or weaken our church family. **Please remember especially our members who are quarantined alone.**

Pray for our family members who are serving our country in the armed services. **Reuben** is in the Navy, deployed to Japan. **Jake** is serving the Navy locally.

Our brethren in the **Philippines** are struggling with numerous challenges during these times and need our prayers.
