Prayer Requests:

Regina is traveling and is grateful for the prayers for safe and healthy travels.

Marj (Clinton's grandmother) passed away Sat., Feb. 5. Please pray for comfort, peace and strength for the families.

Clive (father of Sheryl) is struggling with his health. It's disrupting his sleep, he's absolutely exhausted, and is on a fourth round of antibiotics. Please pray for full recovery, comfort, and rest.

Aaron, Cassandra and family was recently in a major car accident. They are all very sore as are the people in the other vehicle, but are otherwise ok. Prayers for a swift recovery.

Hannah's body has stabilized, but she still chooses not to eat. Her foot fracture is hopefully mending and she is expected to stay on bed rest. The next step will be residential care to help her with coping skills necessary to function with her severe illness. Please continue to pray.

Continue to pray for **Hallie**, her father **Tim**, and brother **Tyler** as they grieve the loss of their beloved mother and wife, Jennifer.

JoAnn was scheduled for a knee replacement surgery on Feb. 10th. Her son-in-law, Jeffrey, has continued to improve despite the setbacks he has encountered. JoAnn's daughter, Dawn, had an abnormal mammogram and will have additional tests on Feb. 17th. Their main concern is the stress Dawn has been placed under with all the challenges in her life.

Jim struggles with a weak immune system and his white blood count has been low lately. Jim is on antibiotics and his lymph nodes are shrinking. The doctor is amazed at how well Jim is doing, though, and Jim says it is because of the power of prayer and because of our awesome God!

Matt and his girlfriend, Jessica (FC students and Christians in Tampa) are recovering well from their recent car accident. Matt has returned to living in the dorms and preaching at a local congregation. Jessica has returned to living in her apartment. Continue to pray for a full recovery.
