Prayer Requests:

Clive (father of Sheryl) is struggling with his health. It's disrupting his sleep, he's exhausted, and is on a fourth round of antibiotics. Please pray for full recovery, comfort, and rest.

Hannah's body has stabilized, but she still chooses not to eat. Her foot fracture is hopefully mending and she is expected to stay on bed rest. The next step will be residential care to help her with coping skills necessary to function with her severe illness. Please continue to pray.

We are mindful of the **W. Family** (Donna, Kari, Darren, and their families) at this time. Rick passed away 2 years ago and his absence continues to be deeply felt. We are so grateful for the example he set, along with the leadership and guidance he gave to his family and church as a husband, father, elder, and friend to all who knew him.

Continue to pray for **Hallie**, her father **Tim**, and brother **Tyler** as they grieve the loss of their beloved mother and wife, Jennifer.

Jim struggles with a weak immune system and recently received a good report, but he still has to remain quarantined. Jim is on antibiotics and his lymph nodes are shrinking. The doctor is amazed at how well Jim is doing, though, and Jim says it is because of the power of prayer and because of our awesome God!

Continuing Prayer Needs:

Our Expectant Parents – Sofia & Chase, Kyle & Michelle, Andrea & Jacob

JoAnn - knee replacement surgery. Her son-in-law, Jeffrey, has continued to improve despite the setbacks he has encountered. JoAnn's daughter, Dawn Owen, had an abnormal mammogram and was scheduled for additional tests on Feb. 17th. Their main concern is the stress Dawn has been placed under with all the challenges in her life

Pat– bronchitis and walking pneumonia.

Clinton (and family) – the loss of his grandmother, Marj Smith.

Kyle's father – Broken hip/hip replacement, recovery, and physical therapy.

Judy – Riverside East Assisted Living Facility in Bothell (next to Bothell Senior Center).

Lalaneya – SIBO and treatment.

Joe – doctors continue to search for solutions to his seizures.

Chris r – the court ruled in his favor and he is no longer required to have visits supervised when he is with his daughter.

Dallas– prostate cancer.

Sina (Alphie's mom) – kidney failure, on the kidney transplant list. She is not doing well. Cards are appreciated.

Deanna – continues to search for answers for post-acute Covid syndrome. Deanna thanks everyone for their prayers and concern.

Liz – chronic pain. Continues to search for help from pain specialists. Liz is not only taking care of Deanna Bellingham (her daughter), but also her ex-husband who relies on Liz to assist him while he struggles with treatment for his cancer.

Paul– experiencing severe pain in his back and one of his legs is totally numb. The place where he is living and serving as a care giver for a woman in the late stages of MS is not expected to last much longer. Paul asks that an open door be made available to him soon for an affordable place to live in the area. Paul has been working on Sundays and unable to attend.

Gary – continue to pray for a drop in the PSA counts.

Pray for our family members who are serving our country in the armed services. **Reuben** is in the Navy, deployed to Japan. **Jake** is serving in the Navy locally.

You can access the internet using our “**guest**” network, password is “**kirkland**”.
