PRAISE REPORT:

Joseph (father of Koby, Sam, and Clara) continues to recover well from his recent heart issues. He intends to worship with us on a regular basis.

Adam has received the full-time hours he needed and prayed about. He requests prayers for the anxiety that overwhelms him at times, that he would be bolder, and rely upon God more in his daily life.

Nathan and Acacia (former members) were blessed with a new healthy baby girl, Sophie, last week. We are so happy for them.

Julian's aunt Linda had successful extensive back surgery recently.

CURRENT PRAYER REQUESTS:

Tina (Brent's older sister) is suffering from kidney stones and a severe reaction to antibiotics that she was given. She is expected to remain hospitalized for several weeks.

Gary's doctors found more cancer spots. A side effect of the medicine is fatigue. Prayers for effective cancer treatment and healing.

Greg (Mark and Allison's son who lives in the LA area) requests prayers that he would always be faithful to God, and that God may direct his life as he works and lives.

Samuel needs comfort and encouragement as his marriage is going through great difficulty at this time.

Long-Term Prayer Needs:

Jan - crack in her lumbar spine. It does not require surgery or any treatment and should heal on its own. In the meantime, she is on pain meds.

Deanna – surgery to repair her broken arm. She is in a lot of pain, wearing a sling, and is in rehab for five months with 12 months to totally heal. It is so discouraging to her, but she has faith that God will not give her more than she can bear.

Nurys - requests that she may be a godly example and she can influence her husband to become a Christian.

Nancy (Allison's mom) - prayers for a positive outcome for health challenges and upcoming surgeries.

Chalon (friend of Julian) – chemo for colon cancer and her condition is deteriorating. Please keep her family in your prayers.

Judy - assisted living facility in Bothell. She appreciates the prayers. Phone calls and visits are welcome.

Pat - may have cataract surgery soon. Pat is tired of being sick and has several issues revolving around her rheumatoid arthritis. Her pain meds give her spells of shaking.

Paul - acute back pain from a recent car accident. Additionally, Paul was recently diagnosed with some heart problems. He needs encouragement.

Mike - treatment for Non-Hodgkin's Lymphoma.

Alex - residential treatment facility. Alex is staying constant in prayer and appreciates the support during this difficult time. He moved to better facility in the Edmonds area. Alex specifically asks prayers for mental stability, sobriety, and resistance to cigarettes.

Norma – condo repairs are almost complete. She is closer to Issaquah and attending there due to her current location. We miss her!

Liz – chronic pain. Continues to search for help from pain specialists. Liz cares for Deanna Bellingham (her daughter).
