Member News and Prayer Requests

Congratulations to our newest member, **Paul**, who was recently baptized into Christ. He met with the elders and is now a member. Paul has tentative plans to move to Texas, we hope now that he has found a good church family that he will decide to stay in the area.

Paul learned about us from our KCIS Sunday morning radio program. It is encouraging to see a success from this congregational outreach to the community.

Welcome to **Dave and Cara, and daughters Ella and Lucy**, who also met with the elders and are now members at Kirkland.

Sunday morning worship is available via livestream for those unable to join us in person. This link can also be used to watch adult Bible classes at the scheduled times.

Dan Lankford, from Colorado Springs, is scheduled to be with us March 13th.

Bible Class: "**Hold Up the Book**" (a textual sermon from Nehemiah 8)

AM Lesson: "**East of Eden**" (a study of the Cain & Abel story and how it plays out repeatedly through the whole Bible)

PM Lesson: "**If I Am a King**" (a study of the divine authorship & the authority of the Bible)

A note from the Kyle & Michelle:

We have decided with another baby on the way that it is time to move closer to our extended family. We will be moving back to Indiana in a couple weeks and our last Sunday at Kirkland will be March 6. We miss so many of you already just thinking about this big change and how much of a part of our life this church has been over the past four years. We want to thank you all for encouraging us in worship and devotion to God. Please keep us in your prayers as we make this big move and also as I (Kyle) continue to iron out the details of remaining permanently remote with my current job. With love, Kyle, Michelle, Nora, and baby #2

Prayer Requests:

Please pray for peace in the conflict between Russia and Ukraine, and that the tragic of loss of life will be minimal. Some of our members have family and friends in Ukraine, please pray for them and for our brethren in Ukraine!

Joe had another seizure last week but is now doing well. In March a surgery is planned with the hope it will short circuit future seizures. Please pray for a successful surgery and continue to keep Joe and the Green family in your prayers

Hannah's body has stabilized, but she still chooses not to eat. Her foot fracture is hopefully mending and she is expected to stay on bed rest. The next step will be residential care to help her with coping skills necessary to function with her severe illness. Please continue to pray.

Michell is working in LA area for the next month and is away from her family and church. The type of roof work she is doing is physically hard on her body. Please pray for God's guidance as she searches for another job.

Clive (father of Sheryl) is struggling with his health. It's disrupting his sleep and he's exhausted. Please pray for full recovery, comfort, and rest.

Chris contracted Covid -19 last week but is on the mend and it appears to be a mild case. He has not been at services due to the need to be quarantined for a time.

JoAnn's knee replacement surgery is healing very slowly at this time and is proving more difficult for JoAnn than her other recent knee replacement. JoAnn will have to move April 1, 2022, to a different mobile home park, in Orting, which is 90 minutes south of Kirkland.

The Aaron, Cassandra, and family experienced a traumatic and difficult car accident several weeks ago. Cassandra has residual pain from the accident which bothers her on some days.

Jim struggles with a weak immune system and recently received a good report, but he still has to remain quarantined. Jim is on antibiotics and his lymph nodes are shrinking. The doctor is amazed at how well Jim is doing, though, and Jim says it is because of the power of prayer and because of our awesome God!

Continuing Prayer Needs:

Kyle's father – Broken hip/hip replacement, recovery, and physical therapy.

Judy – Riverside East Assisted Living Facility in Bothell (next to Bothell Senior Center). Judy can receive visitors. Please call in advance of visitation due to possible Covid-19 restrictions.

Lalaneya – SIBO and treatment.

Joe – doctors continue to search for solutions to his seizures.

Dallas – prostate cancer.

Sina (Alphie's mom) – kidney failure, on the kidney transplant list. She is not doing well. Cards are appreciated. The family is thankful for the continued prayers.

Liz – chronic pain. Continues to search for help from pain specialists. Liz is not only taking care of Deanna Bellingham (her daughter), but also her ex-husband who relies on Liz to assist him while he struggles with treatment for his cancer.

Paul – experiencing severe pain in his back and one of his legs is totally numb. The place where he is living and serving as a care giver for a woman in the late stages of MS is not expected to last much longer. Paul asks that an open door be made available to him soon for an affordable place to live in the area. Paul has been working on Sundays and unable to attend.

Gary – continue to pray for a drop in the PSA counts.

Pray for our family members who are serving our country in the armed services. **Reuben** is in the Navy, deployed to Japan. **Jake** is serving in the Navy locally.
