PRAISE REPORT:

Judith has returned to the assisted living facility in Bothell. She is in no pain, but restricted from any weight bearing on her shoulder. She appreciates the prayers. Phone calls and visits are welcome and encouraged.

CURRENT PRAYER REQUESTS:

Deanna fell and broke the upper part of the humerus on her left arm. She met with an orthopedic doctor Friday to determine if surgery is necessary. She is in a lot of pain and will be in a sling for several weeks.

Cathy is recovering from Covid and feels better, but still tests positive. So far, Todd has stayed healthy.

Melissa's father, John, passed away peacefully on Thursday. Just before he died, he said, “I am ready.” What a joy to know that he will have a new, incorruptible body and is now in Paradise. Continue to keep **Melissa** and her family in your prayers as they deal with this loss.

Chalon (friend of Julian) is undergoing chemo for colon cancer and her condition is deteriorating. Please keep her family in your prayers.

Brent and Gail, Ben, and Todd are attending the Florida College lectures this week. While in Florida they will pass around the word about the opportunities available this Fall for dedicated men to work with us at Kirkland.

Chris (father of Heidi and Ryan) had a successful heart procedure. Please continue to keep him in your prayers during his recovery.

Dan's mother lives in China and is experiencing health challenges. He requests prayers on her behalf that she may receive the correct treatment and for healing.

Sandy is from the Kirkland area and has requested prayers for spiritual growth. Also, for her son Curtis who is depressed and struggling with addiction.

Long-Term Prayer Needs:

Courtney requests prayers that she will not be scheduled to work on Sundays.

Pat reports they may do cataract surgery soon. Pat is tired of being sick and has several issues revolving around her rheumatoid arthritis. Her pain meds give her spells where she is shaking. It is so discouraging to her, but she has faith that God will not give her more than she can bear.

Paul continues to experience acute back pain from a recent car accident. Additionally, Paul was recently diagnosed with some heart problems. He needs encouragement. Paul's cell number is: 425-979-0775.

Mike - treatment for Non-Hodgkin's Lymphoma.

Alex - residential treatment facility. Alex is staying constant in prayer and appreciates the support during this difficult time. Alex specifically asks prayers for mental stability, sobriety, and resistance to cigarettes.

Deanna – post-acute covid syndrome is still a problem. Deanna thanks everyone for their prayers and concern. Deanna has undergone two medical procedures to try to block the nerves where the pain is coming from, and these procedures were not successful. They are going to try a third procedure that they hope will give her some pain relief.

Norma – condo repairs are almost complete. She is closer to Issaquah and attending there due to her current location. We miss her!

Liz – chronic pain. Continues to search for help from pain specialists. Liz is taking care of Deanna Bellingham (her daughter).
