Prayer Requests:

Marj (Clinton's grandmother) is now in hospice. Her health has declined rapidly over the last few weeks and the family is preparing for her passing. They request prayers for Marj's comfort and peace, and strength for the family.

Clive (father of Sheryl) is struggling with very uncomfortable prostate issues. It's disrupting his sleep so badly that he's absolutely exhausted on top of all the other symptoms, and is on a fourth round of antibiotics. Please pray for full recovery, comfort, and rest.

The **Aaron, Cassandra, and family** was in a major car accident on their way home last Sunday evening. They are all very sore as are the people in the other vehicle, but are otherwise ok. Prayers for a swift recovery.

JoAnn is scheduled for new replacement surgery on Feb. 10th. Her son-in-law, Jeffrey, has continued to improve despite the setbacks he has encountered. JoAnn's daughter, Dawn, had an abnormal mammogram and will have additional tests on Feb. 17th. Their main concern is the stress Dawn has been placed under with all the challenges in her life.

Jim struggles with a weak immune system and his white blood count has been low lately. Jim is on antibiotics and his lymph nodes are shrinking. The doctor is amazed at how well Jim is doing, though, and Jim says it is because of the power of prayer and because of our awesome God!

Continue to pray for **Hallie**, her father **Tim**, and brother **Tyler** as they grieve the loss of their beloved mother and wife, Jennifer.

Pat was diagnosed with bronchitis and walking pneumonia.

Matt and his girlfriend, Jessica (FC students and Christians in Tampa) were recently in a very serious accident resulting in multiple injuries to both of them.

Hannah's condition has improved which is a step in the right direction. Please continue to pray. Hannah has a long way to go!
