Regina is traveling on a special assignment through the end of March. She is grateful for the ability to watch the sermons online while she is away. We look forward to having her with us again when she returns.

PRAYER REQUESTS:

Diane was moved back to the critical care unit at Virginia Mason to deal with an unexplained drop in blood pressure. Her condition is very serious; she is weak and exhausted, and of course, the outcome is in the hands of God. Diane is trying so hard to get well, keep her head above the difficult circumstances that threaten to engulf her, but she just can't seem to get the right procedure/treatment for her illness. Diane speaks often about how much she misses us all. Barry says all the cards and messages she has received are immensely appreciated. Keep them coming!

To send a message to Diane go to the Virginia Mason website (virginiamason.org) and hold your mouse over the tab "Patients and Visitors", you will see a link to "[Send a patient an email.](#)" Be sure to include her room **CCU #291**. Sending her a get-well message is certainly a good way to cheer her up! Also pray for Barry as he manages his mom's care.

Lalaneya requests prayers as her mother, **Karen**, is battling an extremely aggressive leukemia. They are exploring options for treatment and she will be isolated and away from her family during that time. Karen is also dealing with anxiety and depression related to the isolation. The family is so grateful for all the prayers and the outreach.

Michell requests prayers on behalf of her family. Her three cousins, all brothers, have each lost a wife and now one has also lost a child. The family needs prayers for healing of fear, doubt, loss, hurt, void, and confusion, and that the Lord will provide guidance, strength, peace, fulfillment, and restoration.

Pray for our country, church, and leaders during these troubling times.
