Farewell and Godspeed to the Mann family.

We have enjoyed having the M. family be a part of our Kirkland family for the last several years. However, the long distance from their home in Kent has made it difficult for them to be as involved as they would like. Today is their last Sunday with us as they are moving their membership to a congregation closer to them. We will miss them! Take this opportunity to say goodbye and God-speed to them today. May God bless this beautiful family in every way possible.

We warmly welcome back **Miranda** and her son **Marcus** to our church family.

PRAISE REPORT:

The Lord continues to send us truth seekers. Please keep praying for seekers, and be ready to warmly welcome them and reach out in love.

Mike is feeling strong in spite of regular chemo treatments. The doctors are amazed. Mike gives the glory to God and thanks everyone for their prayers!

CURRENT PRAYER REQUESTS:

While visiting family in Oregon, **Terri** fell and broke both wrists. She had surgery, which went well, and will not have use of her hands during recovery. Please pray for Terri and Vern while they go through this difficult trial.

Courtney's aunt, **Diane**, had a mild stroke and has blood clots in her lungs and heart. She is hospitalized in critical condition. There does not appear that there is much that can be done because of her age (88).

Pat has surgery scheduled for March 22. Continue to pray for her.

Jeannine (Terri's dear friend) was diagnosed in October with stage 4 cancer in her stomach, liver, and spine. She had a second surgery Wednesday in hopes to be relieved of the constant pain. After her recovery from surgery, chemo treatments will begin.

Tina's (Brent's older sister) surgeries went well, she is now home from the hospital and continues to recover. Thanks for the prayers.

Long-Term Prayer Needs:

Samuel needs comfort and encouragement as his marriage is going through great difficulty.

Brad and Christy (Dave & Cara's nephew & wife) - preemie twins. Please pray for strength and health for the entire family during this time while the girls are in NICU.

Gray - prayers for effective cancer treatment and healing.

Adam - prayers for the anxiety that overwhelms him, that he would be bolder, and rely upon God more in his daily life.

Deanna— is in a lot of pain, wearing a sling, and is in rehab for 4 months with 11 months to heal. It is so discouraging to her, but she has faith that God will not give her more than she can bear.

Nurys - requests that she may be a godly example and can influence her husband to become a Christian.

Nancy (Allison's mom) - prayers for a positive outcome for health challenges and upcoming surgeries.

Chalon (friend of Julian) – chemo for colon cancer and her condition is deteriorating. Please keep her family in your prayers.

Judy - assisted living facility in Bothell. She appreciates the prayers. Phone calls and visits are welcome.

Paul - acute back pain. Additionally, Paul was recently diagnosed with some heart problems. He needs encouragement.

Mike - treatment for Non-Hodgkin's Lymphoma.

Alex - residential treatment facility. Alex is staying constant in prayer and appreciates the support during this difficult time. He moved to better facility in the Edmonds area. Alex specifically asks prayers for mental stability, sobriety, and resistance to cigarettes.

Norma— condo repairs are almost complete. She is closer to Issaquah and attending there due to her current location. We miss her!

Liz— chronic pain. Continues to search for help from pain specialists. Liz cares for Deanna Bellingham (her daughter).
