Discipleship & Evangelism, Friday, April 1st, 7PM

Everyone is invited to the building for an in-depth discussion about our role in evangelism as Christ's disciples.

Starting April 3rd, we will dive into Romans and Galatians in our Sunday morning Bible Class. This class will span the next 2 quarters, but there are many topics we will not have time for on Sunday mornings. There will be an extra class on Thursday evenings at 7 pm in the overflow room at the church building. In these classes we will have a deeper discussion on some of the topics found in these letters. Our first class is on April 7th and everyone is welcome to join.

The Renton church will hold an area wide singing Sat., April 23 at 6:30 pm. Address: 2527 NE 12th St. | Renton.

Paul has accepted a job in Texas. Paul is so thankful to have met us and has been forever changed by the gospel and our loving outreach towards him. His forwarding address will be posted once it is available. Paul says our continued love and friendship is much appreciated.

Rachel, a Christian and law student who worships at the Centerville church of Christ, in Tallahassee, FL, is looking for temporary housing in the area. She plans to be with us mid-May to July for a 10-week internship with a Seattle law firm. Rachel would like to connect with Christians here in the area who may have rental recommendations or accommodations for her. If you know anyone or can help in any way, please contact Rachel.

A memorial service for **Marj**, (Clinton's maternal grandmother) is scheduled for Saturday, April 2nd at 1:00 p.m. at the Silver Lake church of Christ. A gathering at Jim and Carolyn's home will follow the service. A flyer is also posted in the back for those who would like more information and would like to attend.

Prayer Requests:

Joe had surgery last Wednesday. In 2 weeks he will return to the doctor and the Vegas nerve stimulator will be turned on. The nerve stimulator can reduce seizures by 20 – 50%, and the family is excited to see how it works. God has answered our prayers, and everything has gone well.

Hannah is nearly weight restored and eating a portion of her meals which has meant huge progress physically. Hopes are she will be cleared and accepted into a residential facility next month. Please pray there won't be any interferences towards her progress and that Hannah will maintain the physical state she is in after hospitalization. Also, that she will be receptive and accepting of upcoming rehab and counseling. One of the stress fractures in Hannah's foot continues to be problematic and the foot is slowly healing.

Gary received test results back in regard to his prostate cancer that are of great concern to him. Gary needs our support and prayers now more than ever!

JoAnn's knee replacement surgery is healing very slowly at this time and is proving more difficult for JoAnn than her other recent knee replacement. JoAnn will move April 1, 2022, to a mobile home park in Orting.

Continuing Prayer Needs:

Our Expectant Parents – Sofia & Chase, Andrea & Jacob

Ronnie (father of Cara) – recovery from open heart surgery.

Clive - (father of Sheryl) health struggles. Please pray for full recovery, comfort, and rest. Clive wants to thank us for the prayers and is much improved!

Michell - working in LA area until the end of March and is away from her family and the church. The work she is doing is physically hard on her body. Please pray for God's guidance as she searches for another job.

Pat – bronchitis and walking pneumonia.

Judy– Riverside East Assisted Living Facility in Bothell (next to Bothell Senior Center). Judy can receive visitors. Please call in advance of visitation due to possible Covid-19 restrictions.

Lalaneya – SIBO and treatment.

Dallas– prostate cancer.

Sina (Alphie's mom) – kidney failure, on the kidney transplant list. She is not doing well. Cards are appreciated. The family is thankful for the continued prayers.

Deanna – continues to search for answers for post-acute Covid syndrome. Deanna thanks everyone for their prayers and concern.

Liz – chronic pain. Continues to search for help from pain specialists. Liz is not only taking care of Deanna Bellingham (her daughter), but also her ex-husband who relies on Liz to assist him during cancer treatment.

Paul – experiencing severe pain in his back and one of his legs is totally numb. The place where he is living and serving as a care giver for a woman in the late stages of MS is not expected to last much longer. Paul asks that an open door be made available to him soon for an affordable place to live in the area. Paul has been working on Sundays and unable to attend worship.
