Today, we begin a study of **Romans and Galatians** in our Sunday morning Bible Class. This class will span the next 2 quarters, but there are many topics we will not have time for on Sunday mornings. There will be an extra class on Thursday evenings at 7 pm in the overflow room at the church building. In these classes we will have a deeper discussion on some of the topics found in these letters. Our first Thursday class is April 7th and everyone is welcome to join.

The Renton church will hold an area wide singing Sat., April 23 at 6:30 pm. Address: 2527 NE 12th St. | Renton.

Darla, Dee's mother, passed away yesterday (Saturday). She was moved to hospice a few days earlier and thankfully died peacefully and without pain. Darla was 85 and a baptized believer, and now she is comforted from her physical suffering. Our thoughts and prayers for Dee and her family at this time of loss!

Prayer Requests:

Joe will soon return to the doctor to have the Vegas nerve stimulator turned on. The nerve stimulator can reduce seizures by 20 – 50%, and the family is excited to see how well it works for Joe. God has answered our prayers, and everything has gone well.

Hannah has developed cellulitis in her right leg and she is on another round of antibiotics which is hard on her already struggling digestive track. Hopes are that she will soon be cleared and accepted into a residential facility. Please pray for continued improvement in her health, that there won't be any interferences towards her progress, and that Hannah will maintain her physical state after hospitalization. Also, that she will be receptive and accepting of upcoming rehab and counseling. One of the stress fractures in Hannah's foot continues to be problematic and the foot is slowly healing.

Gary received test results back in regard to his prostate cancer that are of great concern to him. Gary needs our support and prayers now more than ever!

Continuing Prayer Needs:

Our Expectant Parents – Sofia & Chase, Andrea & Jacob

Ronnie (father of Cara) – recovery from open heart surgery.

Clive - (father of Sheryl) health struggles. Please pray for full recovery, comfort, and rest. Clive wants to thank us for the prayers and is much improved!

Kim - coworker Ally's husband Vasil has safely returned from Ukraine.

Michell - working in eastern WA and is away from her family and the church. Please pray for God's guidance as she searches for another job.

Pat – bronchitis and walking pneumonia.

Judy – Riverside East Assisted Living Facility in Bothell (next to Bothell Senior Center). Judy can receive visitors. Please call before visitation due to possible Covid-19 restrictions.

Lalaneya – SIBO and treatment.

Dallas – prostate cancer.

Sina (Alphie's mom) – kidney failure, on the kidney transplant list. She is not doing well. Cards are appreciated. The family is thankful for the continued prayers.

Deanna – continues to search for answers for post-acute Covid syndrome. Deanna thanks everyone for their prayers and concern.

Liz – chronic pain. Continues to search for help from pain specialists. Liz is not only taking care of Deanna Bellingham (her daughter), but also her ex-husband who relies on Liz to assist him during cancer treatment.

Paul – experiencing severe pain in his back and one of his legs is totally numb. The place where he is living and serving as a care giver for a woman in the late stages of MS is not expected to last much longer. Paul asks that an open door be made available to him soon for an affordable place to live in the area. Paul has been working on Sundays and unable to attend worship.

Pray for our family members who are serving our country in the armed services. **Reuben** is in the Navy, deployed to Japan. **Jake** is serving in the Navy locally.
