### **Prayer Requests**

**Julian's** grandmother passed away earlier this week. Julian is in Tennessee for the funeral.

**David**, father of Kami and preacher in Anchorage, was hospitalized and the doctors found a blood clot in his brain behind his right eye. He has a long road to recovery but the prognosis looks promising.

**Mike's** results from his latest CT scan show his lungs, liver, gallbladder, and kidneys are all clear. The lymph nodes are becoming smaller, and no additional sites were found that were better choices for a biopsy. If he does have cancer, it is slow growing. They will check again in three months. He has been allowed to return to work with no restrictions. Mike and Jerri want to thank everyone for their support, love, and especially the prayers!

**Jeanie** requests prayers for an upcoming minor surgery on two fingers on her right hand. The surgery was postponed for several months. She also asks for prayers for her husband, Sean, who has taken a sharp downhill turn recently and for all practical purposes is blind. He also has difficulty using his walker. Jeanie says it will be real learning curve for her to be able to bring Sean to worship services again. In the meantime, she will attend virtually. Jeanie is hopeful he will soon recover some of his normal function.

**Dallas** has been diagnosed with a fast-growing form of prostate cancer. He is seeking out the best form of treatment. Prayers for Dallas and Janet during this difficult time.

**Stig** left June 7 on a 3-4 week motorcycle trip across the U.S. He expects to cover approximately 10K miles. Prayers for a safe journey.

Prayers are requested for **Rob** who recently converted to Christianity from Islam and is in prison in the Kent area. He wants to be baptized for the remission of his sins, but due to being in prison at this point he can't get permission. Rob says he is innocent and hopes to be released soon and turn his life around for Christ. Please keep Rob and this situation in your prayers.

**Peter** has made the decision to worship elsewhere. He has been a faithful, long-standing member of God's church for many years. We will miss his presence and wish him God-speed!

**Michell** strained her back at work, possible slipped disc, and arthritis has flared. Michelle and Bryan are having to work long hours and are very stressed right now. Prayers that they can determine God's will for their lives and have good health. Seeking direction concerning her job and other important life choices. Continuance of healing for her family.
