## **Prayer Requests:**

**Joe, along with his parents Larry and Jennifer**, request prayers for a successful resolution to Joe's seizures. He has had a lot of seizures over the last 24 hours, is taking his meds again, and has also received a high dose of valium to stop the seizures. Joe is exhausted, resting, and Larry has been staying with him. Jennifer has not been allowed to be at the hospital with Joe which has been extremely hard for her. They had hoped to trade days, but that hasn't been possible. Through this all, their faith and trust in God is remaining strong, believe it will all work out for his good, and they know Joe is in good hands. The family is so grateful for the prayers. Please continue to pray the doctors will find the source of his seizures and a way to stop them altogether.

**Dan's** father passed away and Dan is in Hong Kong to attend the funeral. Dan appreciates our church family and the prayers on his behalf.

**Cheyenne r's** grandmother passed away unexpectedly. Cheyenne is in Tennessee to be with her mother, Tina Cox, and attend the funeral. Prayers of comfort for the family.

**Peter** will fly to Greece on June 10<sup>th</sup> to sell his condo and to permanently wrap up other business he has there. Prayers for a safe trip and success in his endeavors there.

**Bob and Elly** had to put down Marley, their beloved dog of 15 years this past week. This is especially hard on Elly. Bob requests prayers for a successful launch of his new paper, **The Northshore News**.

Prayers are requested for **Rob** who recently converted to Christianity from Islam and is in prison in the Kent area. He wants to be baptized for the remission of his sins, but due to being in prison at this point he can't get permission. Rob says he is innocent and hopes to be released soon and turn his life around for Christ. Please keep Rob and this situation in your prayers. Please take a moment and send him a note of encouragement! Thanks.
