Prayer Requests:

Charlie, a classmate, friend, and evangelist, has not been able to drive back home due to severe back pain, an infection in his foot which required hospitalization, and out of control blood sugar. He will remain close to the area for observation and is staying at Life Care Center of Kirkland. He is expected to stay the entire month of July while they monitor his healing progress. Visits are welcome as he is somewhat lonely. Plans are for his brother to fly to Seattle and then drive him back home to Oklahoma. What an unexpected ordeal for our brother!

Glen (a relative of Clinton's family) was recently diagnosed with prostate cancer. He flew to Mexico to begin treatment. Glen, and the entire family, would appreciate prayers for complete healing, peace, and comfort while he is away from his family.

Zuri (16) and Jr (13) rode their bikes to worship with us on 5/22 and requested prayers for their parents who are in California. Zuri and Jr are currently living with their older sister in Kirkland. Zuri was at worship recently and is very interested in spiritual things. They are going through severe trials and need support and prayers.

Continuing Prayer Needs:

Jeanie - back injury.

Karen – leukemia.

Eli – rehab for spinal injuries. Continues to make strides towards healing and improvement. The family continues to see the handiwork of God during this time!

Hannah --treatment facility in Colorado. Doing much better and expected to return home soon.

MaryAnn – prayers for emotional healing and new living arrangements. (sister of Sandra)

Joe - vagus nerve stimulator will continue to control seizures.

Gary - prostate cancer.

Clive - (father of Sheryl) health struggles. Please pray for full recovery, comfort, and rest. Clive wants to thank us for the prayers and is much improved!

Michell - working in eastern WA and is away from her family and the church. Please pray for God's guidance as she searches for another job.

Pat – chronic migraines, rheumatoid arthritis, severe amount of pain.

Judy – Riverside East Assisted Living Facility in Bothell (next to Bothell Senior Center). Judy can receive visitors. Please call before visitation due to possible Covid-19 restrictions.

Lalaneya – SIBO and treatment.

Sina (Alphie's mom) – kidney failure, on the kidney transplant list. She is not doing well. Cards are appreciated. The family is thankful for the continued prayers.

Deanna – continues to search for answers for post-acute Covid syndrome and the after-effects of a past concussion. Deanna thanks everyone for their prayers and concern.

Liz – chronic pain. Continues to search for help from pain specialists. Liz is not only taking care of Deanna Bellingham (her daughter), but also her ex-husband who relies on Liz to assist him during cancer treatment.

Paul– moved to a senior living facility in Edmonds and is settled in. He continues to experience acute back pain and is unable to make it to services due to his inability to sit for long periods without severe pain. Paul is really discouraged right now and needs encouragement.

Pray for our family members who are serving our country in the armed services. Reuben is in the Navy, deployed to Japan. **Jake** is serving in the Navy locally.

A note from Brent about his schedule:

A few have asked about me being away more frequently than usual this year. The reason for this is due to Covid-19 most of my scheduled meetings were cancelled in 2020 and 2021. The congregations requested to reschedule later when Covid-19 concerns subsided. The problem is, I already had meetings scheduled out several years in advance for 2022. The elders agreed that I should abide by these obligations. Over time everything averages out to be what was agreed upon as to Sundays to be away. Given that Ben is here now, it makes it easier for me to reschedule some of these Covid related cancellations. Next year, 2023, we will be back to the normal schedule of time to be away. Thanks for noticing and for understanding!
