Our VBS was a great success with over 70 precious souls impacted by the positive messages about life made in God's image. A special thanks to Crystal and the many workers and teachers who helped this VBS be one of our best! Please pray that the positive after effects will be far-reaching, and that we will have a long-term influence for good on the children and on their parents.

We rejoice with **Jesse & Nikki. Posey** was baptized Wednesday evening by Jesse. Praise God!

Congratulations to **Kobe and Samantha**, who met with the elders and are now members of Kirkland. Kobe and Samantha are engaged to be married. The wedding is planned for September 17th and Brent will be officiating.

Sunday morning worship is available via livestream for those unable to join us in person. This link can also be used to watch adult Bible classes at the scheduled times.

Congratulations to former members **Nathan & Acacia!** They are expecting an addition to their family in February. They miss everyone and expect to visit us in November.

The **Women's Prayer Group** will resume on Tues., Sept. 6th at 10:30 AM.

Prayer Requests:

Larry has COPD, his recent bout with Covid has exasperated troubles with his breathing, and he has lost about 40% of his lung function. Please pray for Larry as he works through the long-term implications from Covid.

Hannah is home and staying with Courtney and Sammie. She is unable to stay at home unsupervised so Courtney is working on other alternatives. Ongoing prayers are requested as she works on her issues.

Eli has returned home after 17.5 weeks of hospital and rehab for his spinal injury. He still has a long way to go but the insurance ran out. They will continue physical therapy at home. The family trusts in God's plan and that he will provide for all their needs as they care for Eli.

Susan (friend of Pat) recently contracted Covid and received one of the new drugs for it. She had a bad reaction to the medication and is on IVs in a special care unit at the hospital.

Charlie, an evangelist, and classmate and friend of Brent, wishes to thank everyone for their love and support during his time here with us. Special thanks to Lance & Marianna, and Jim & Mo for providing transportation for Charlie. Plans are for Darrel to fly to Seattle July 30, and then drive Charlie back home to Oklahoma. Hopefully, they will be able to worship with us Sunday morning before driving back to Oklahoma. If so, you will have a chance to bid him goodbye and Godspeed on his travels.

Hunter (Brent and Gail's grandchild) has gained 2 lbs. and 2 ounces since he left the hospital and may have his feeding tube removed this Monday if all goes well. Thankfully, Gail returned home this Friday after three weeks in Tampa helping with Hunter. We are glad to have her back!

Marda has been caring for ill family members.

Continuing Prayer Needs:

Norma – her foot is healing up very well, but she is still on crutches. Her condo is still gutted, and no repairs have begun. Norma is temporarily staying at an extended care facility while she waits for her condo to be repaired from the damage. What a frustrating ordeal!

Michell - overwhelmed with family and work pressures.

Glen (a relative of Clinton's family) prostate cancer. Treatments will continue for a couple of years. Glen says he is feeling much better already. Glen, and the entire family, appreciate prayers for complete healing, peace, and comfort.

Karen – leukemia.

MaryAnn – (sister of Sandra) prayers for emotional healing and new living arrangements. Sandra says that MaryAnn has decided to become a Christian and she praises God for her decision!

Joe - vagus nerve stimulator will continue to control seizures.

Gary - prostate cancer and recent fall.

Clive - (father of Sheryl) health struggles. Please pray for full recovery, comfort, and rest. Clive wants to thank us for the prayers and is much improved!

Pat – chronic migraines, rheumatoid arthritis, severe amount of pain.

Judy – Riverside East Assisted Living Facility in Bothell (next to Bothell Senior Center). Judy can receive visitors. Please call before visitation due to possible Covid-19 restrictions.

Lalaneya – SIBO and treatment.

Sina (Alphie's mom) – kidney failure, on the kidney transplant list. She is not doing well. Cards are appreciated. The family is thankful for the continued prayers.

Deanna – continues to search for answers for post-acute Covid syndrome and the after-effects of a past concussion. Deanna thanks everyone for their prayers and concern.

Liz – chronic pain. Continues to search for help from pain specialists. Liz is not only taking care of Deanna Bellingham (her daughter), but also her ex-husband who relies on Liz to assist him during cancer treatment.

Paul – moved to a senior living facility in Edmonds and is settled in. He continues to experience acute back pain and is unable to make it to services due to his inability to sit for long periods without severe pain. Paul is really discouraged right now and needs encouragement.

Pray for our family members who are serving our country in the armed services. Reuben is in the Navy, deployed to Japan. **Jake** is serving in the Navy locally.
