A Note from Zach

Kirkland Church Family,

Thank you all so much for being so welcoming from the moment I walked in the door here. I was nervous moving to a totally new area where I knew no one, but you all helped make that transition as smooth as it could possibly be. I am so glad I got to call Kirkland home for the summer and wanted to send a big thank you to everyone who always greeted me with a smiling face! It has been great to worship with you all this summer and I will make sure to visit when I am back in the area! Thank you and God Bless!

Prayer Requests:

Mariana requests urgent prayers for her cousin, **Karen**. Karen was diagnosed with cancer last year and it metastasized in May. It is very aggressive and she was put in hospice on Thursday. Mariana is in Arizona to be of support and assistance. She plans to remain there through the 20th. She requests prayers for Karen's comfort and softening of the heart, and for Mariana to find the right words of comfort at this time.

Jeanie is away visiting her family in Alabama and suffered a brain bleed. She is in a rehab facility in Florence, AL. Jeanie is slowly improving, eating soft foods, working on her speech, and more alert and responsive. The family requests prayers that a facility can be found in closer proximity to the family and a speedy recovery.

Continue to pray for **Hannah** as Courtney works on arrangements for Hannah's care while she is at work.

Continuing Prayer Needs:

Hunter– Brent and Gail's grandchild in Tampa, Florida continues to have trouble receiving the nutrition he needs. A minor surgery and installing a PEG port into his stomach directly to help with the feedings is planned. Hunter is only nine months old.

Larry - COPD, his recent bout with Covid has exasperated troubles with his breathing, and he has lost about 40% of his lung function. Please pray as he works through the long-term implications from Covid.

Michell - overwhelmed with family and work pressures. Pursuing new employment opportunities.

Glen (a relative of Clinton's family) prostate cancer. Treatments will continue for a couple of years. Glen says he is feeling much better. Glen, and the entire family, appreciate prayers for complete healing, peace, and comfort.

Karen – leukemia.

MaryAnn – (sister of Sandra) prayers for emotional healing and new living arrangements. Sandra says that MaryAnn decided to become a Christian and she praises God for her decision!

Joe - vagus nerve stimulator will continue to control seizures.

Gary - prostate cancer and recent fall.

Clive - (father of Sheryl) health struggles. Please pray for full recovery, comfort, and rest. Clive wants to thank us for the prayers and is much improved!

Pat– chronic migraines, rheumatoid arthritis, severe amount of pain.

Judy – Riverside East Assisted Living Facility in Bothell (next to Bothell Senior Center). Judy can receive visitors. Please call before visitation due to possible Covid-19 restrictions.

Lalaneya – SIBO and treatment.

Sina (Alphie's mom) – kidney failure, on the kidney transplant list. Alphie said she is doing better. Cards are appreciated.

Deanna – continues to search for answers for post-acute Covid syndrome and the after-effects of a past concussion. Deanna thanks everyone for their prayers and concern.

Liz– chronic pain. Continues to search for help from pain specialists. Liz is not only taking care of Deanna Bellingham (her daughter), but also her ex-husband who relies on Liz to assist him during cancer treatment.

Paul - continues to experience acute back pain. His car is no longer drivable and he has to hitch hike wherever he goes. Also, he's recently been diagnosed with some heart problems. Our brother Paul needs encouragement. Reach out to him and let him know he is loved and missed. Paul really appreciated the prayer quilt he received from the congregation last week.

Pray for our family members who are serving our country in the armed services. **Reuben** is in the Navy, deployed to Japan. **Jake** is serving in the Navy locally.
