Congratulations to **Penny** (Michell's aunt) who drove 2½ hours from Rochester, WA to be baptized into Christ Wednesday night. Michell has been answering her Bible questions and Brent followed up with her as well. Penny made the decision to obey the gospel and commit her life to Christ. We are so happy for her! Penny is now working on associating with a faithful church nearer her home and hopes to visit us on occasion. She would love to hear from any of us to encourage her in the faith.

We welcome Alex to our church family. Alex was recently baptized into Christ and is now identifying with our church family. Alex is a very committed, spiritually minded young man, and will be a great asset to us all.

Please pray for **Marco** (36 years old) who has been worshipping with us for several months now and was presented the gospel last week. Marco is studying and praying about making the commitment to become a Christian and considering being baptized for the remission of his sins.

Sunday morning worship is available via livestream for those unable to join us in person. This link can also be used to watch adult Bible classes at the scheduled times.

Congratulations to **Barry**! He has retired from Boeing after many years as an engineer there. Barry and Caitlyn will be away for a while traveling around and enjoying some time off.

Many members are away camping at Deception Pass this weekend. We miss everyone and bid them Godspeed as they spend this quality time getting to know each other better.

Brent is in Lethbridge, Alberta, CA this week in a Sunday – Wednesday meeting with a small congregation there, and will return home Thursday. His thanks to Ben and Gene who are filling in while he is laboring elsewhere.

Prayer Requests:

Mariana requests urgent prayers for her cousin, **Karen**. Karen was diagnosed with cancer last year and it metastasized in May. It is very aggressive and she was put in hospice. Mariana is in Arizona to be of support and assistance. She plans to remain there through the 20th. She requests prayers for Karen's comfort and softening of the heart, and for Mariana to find the right words of comfort at this time.

Jeanie I is away visiting her family in Alabama and suffered a brain bleed. She is in a rehab facility in Florence, AL. Jeanie continues to slowly improve. She is more alert and her voice is becoming stronger. She has trouble with swallowing, causing setback with eating and drinking. Though they are small, daily changes for the better are being observed. The family requests prayers that a facility can be found in closer proximity to the family and a speedy recovery.

Joe was hospitalized for a few days due to issues with his seizures and monitor. Please encourage Joe anyway you can.

Continue to pray for **Hannah**. She is staying with an aunt and continuing with her health condition.

Hunter, Brent and Gail's grandchild in Tampa, continues to have trouble receiving the nutrition he needs. His recent surgery installing a PEG port into his stomach directly was successful and he is gaining weight again!

Norma continues to heal from her foot injury and struggle with waiting for repairs to be made on her condo. It was damaged months ago from an upstairs water leak. Norma is staying in an extended stay facility near Issaquah while she waits for the needed repairs to be completed.
