Kennedy is the daughter of Bryan, one of our members, who baptized her into Christ. It was a great moment, and we rejoice with Kennedy and her family!

Please join us for Sunday 10:30AM worship and our evening adult classes in the auditorium! Masks and social distancing are now optional. If you wish to wear a mask and feel more comfortable being socially distanced, you may sit in the reserved rows at the back of the auditorium. Everyone sitting in the reserved area must wear a mask.

Sunday morning worship is available via livestream for those unable to join us in person. This link can also be used to watch the classes at the scheduled times.

Prayer Requests

PRAYERS FOR THE FAMILIES AND THE TRAGIC LOSS OF LIFE HAPPENING IN AFGANISTAN. This could have world-wide implications. Pray for our country, the veterans who are distressed by this, and the church during these troubling times!

Wanda's health continues to decline. She has stopped eating and drinking much and mostly sleeps. She is battling a UTI which has her very confused and in pain. Friday morning, she fell getting out of bed and hit her head. Please continue to pray for her daughters, Denise and Tammy, as they are continuing to manage her care and are struggling with keeping Denise safe. They are so grateful for all the cards and messages. Every act of kindness is so appreciated.

Jan is in a rehab center in Bellevue and continues to do very well in her recovery from hip surgery with her daily occupational and physical rehab. It wears her out but the doctors are pleased with the results, and her stay may be limited to only three weeks. She has an appointment with the surgeon on Tuesday for x-rays, assessment, and to remove the staples. She would love cards which can be sent to her home address, and afternoon phone calls on her cell are appreciated. Visitors are extremely restricted at this time. Per doctors orders, anyone unvaccinated should not visit at this time. If you need more information, please contact Brett. Jan and family are so grateful for all the prayers, comfort, and offers of assistance! Jan says, "Keep the prayers going, they are working wonders!"

Valerie had foot surgery Aug. 23. All went well with no complications.

Kennedy requests prayers for a smooth transition back into school and safe travels for her mom and step-dad who will be flying back from Phoenix in a few days. Also, prayers for her friend Trevor who was hurt in a recent accident and is recovering in the hospital.

Lisa's cousin, Stephanie, is in dire need of prayers due to a health crisis. She is at Stanford Hospital in California and appears to have an autoimmune disease which is attacking her liver. She is near death and Lisa requests our fervent prayers on Stephanie's behalf.

Regina has some fibroid tumors which have wrapped around her left kidney. This has caused the kidney to stop functioning along with other health issues. She is awaiting a date for surgery, either late August or early September, and requests our prayers.

ATTENTION LADIES! There are envelope quilts for Regina, Jan, and Marj on the rear auditorium table with 3" by 5" cards available for you to write a note of encouragement, favorite scripture, words of wisdom, or anything that will be uplifting during this time of stress. Thank you!

Continuing Prayer Needs:

Our Expectant Parents – Laura & Jacob

Sean – has Parkinson's and is steadily declining, but does have some good days, and for all practical purposes is blind. Jeanie is hopeful he will recover some of his normal functions soon.

Marj, (Clinton's grandmother) has been released from the hospital to a rehab center after a fall which broke her arm, three ribs, and a vertebra. She is doing much better. Also pray for his grandfather to have peace and release from anxiety over the accident.

David (Kammi's father) continues to improve. The last MRI showed the blood clot is gone and the bleeding has nearly all been absorbed. David is doing great and all glory goes to God! Thank you for the prayers on his behalf.

Joe – doctors are searching for solutions to his seizures.

Jeanette – recovering well from foot surgery. Plans to move to Boise by Sept. 1st.

Chris – recent fall which will require extensive dental work. Requests prayer regarding an upcoming hearing concerning visitation right with his daughter Eve.

Carli (friend of Jen and member in Marietta, GA) stage-4 breast cancer.

JoAnn's son-in-law, who lives in Texas, is not expected to live much longer, and JoAnn needs to move to Texas to support her daughter. She plans are to move sometime in December. We will miss JoAnn and her positive spirit.

Liz – chronic pain. Continues to search for help from pain specialists.

Paul – back pain & ongoing leg paralysis caused by a pinched nerve. Surgery will not help him and is no longer an option because of the severity of damage to his back and spine. Paul experiences severe pain. Paul has to move from the house where he is renting a room. The state is actively helping him find a new place to live. Paul is looking for a room to rent in the area for \$1,000 a month or less. If anyone has ideas or leads, he would appreciate it. Paul is able to drive people or do small jobs as part of his rent as long as it doesn't require much bending.
