**Deanna** fell on July 28<sup>th</sup> and fractured her wrist. She is unable to take pain medications and requests prayers and guidance for comfort as she makes decisions regarding the best course of treatment.

**Wanda** suffered a fall recently and her health is failing. Please continue to keep Wanda, Denise, and Tammy, along with the caregivers, in your prayers.

**David** (Kammi's father) continues to improve but is still in need of our prayers as he is released from the hospital for rehab.

**Charles** (cousin of Rachel) had a massive heart attack and unexpectedly passed away. Please pray for his family: wife Kathy, mother Judy, son Jude, and brother Mark.

**Clinton** requests prayers for his grandmother, **Marj**. She was hospitalized after a fall which broke her arm, three ribs, and a vertebra. Also pray for his grandfather to have peace and release from anxiety over the accident.

**Jeanie** requests prayers for an upcoming minor surgery on two fingers of her right hand. The surgery was postponed for several months. She also asks for prayers for her husband, Sean, who has taken a sharp downhill turn recently and for all practical purposes is blind. He also has difficulty using his walker.

Prayers are requested for **Rob** who recently converted to Christianity from Islam and is in prison in the Kent area. He wants to be baptized for the remission of his sins, but due to being in prison at this point he can't get permission. Rob says he is innocent and hopes to be released soon and turn his life around for Christ. Please keep Rob and this situation in your prayers. Please take a moment and send him a note of encouragement!

Paul is looking for a room to rent in the area for \$1,000 a month or less. If anyone has ideas or leads, he would appreciate it. Paul is available to drive people or do small jobs to be of service as long as it doesn't require much bending.
