### Prayer Requests:

**Elly**, a former member at Kirkland, has a very low red blood cell count and is scheduled for surgery to remove a nodule from her abdomen. Also, Bob and Elly both contracted COVID last week and are recovering from that challenge. Please keep Bob and Elly in your prayers.

**Deanna's** wrist surgery appears to be successful, and everyone is hopeful it will heal properly. She began physical therapy which is a positive sign. She is grateful for all the prayers and all glory to God for His love and blessings.

**Chris** suffered a detached retina in his left eye. Additionally, the surgeon discovered tears in his right eye. He had three separate surgeries to repair both eyes. It looks like all is going well and according to plan. The family is grateful for the continued prayers.

**Chris** has sold his condo and is looking for a rental in the area. He is also in need of a new IT job and asks for God's help in finding the right position.

**Anil**, who visits with us often, is looking for a job in IT and asks for prayers for open doors for him. They also are struggling with their green card process and hope it will be resolved soon.

**Marco** has been visiting with us on Sundays. He asks for prayers for patience and to find what is missing in his life. Marco is thinking very seriously about becoming a Christian soon and putting on Christ in baptism.

**Gary** needs our prayers. He recently had an MRI which showed that a rib was broken. It will heal but it takes a long time. Gary tries to attend services when he can. He tried to be here for the congregational photo but was feeling too dizzy to come. Gary appreciates all the cards and expressions of concern for him.

**Jeanie** is improving. She still has weakness and needs to continue PT. Her son, Kelly, will stay with her for a while as they work out the arrangements for her care. Pray for a speedy recovery! Cards can now be sent to her home. Thanks so much for everyone's outreach to Jeanie.

Continue to pray for **Hannah**. She is staying with her dad and continuing with her health condition.

**Norma** can walk without her crutches and can take the boot off to drive her car. Norma rented a mother-in-law apartment in Bellevue while repairs are being made to her condo. She hopes to move home by Christmas. Her family has visited at times to assist her. We miss Norma when she is away from us!

### **Continuing Prayer Needs:**

**Sina** (Alphie's mom) – kidney failure, on the kidney transplant list. Alphie said she is doing better. Cards are appreciated.

**Joe** – seizures and injuries from a recent car accident.

**Larry** - COPD, his new medicine is working great and he is feeling much better and in good spirits. Larry is thankful for the positive answer to prayer.

**Michell** - overwhelmed with family and work pressures. Pursuing new employment opportunities.

**Glen** (a relative of Clinton's family) prostate cancer. He is still in the same condition as before and continues to try natural treatments which are likely to continue for a couple of years. Glen, and the entire family, appreciate prayers for complete healing, peace, and comfort.

**Karen** – leukemia.

**MaryAnn** – (sister of Sandra) prayers for emotional healing and new living arrangements. Sandra says that MaryAnn decided to become a Christian and hopes she will move forward and do so soon!

**Clive** - (father of Sheryl) health struggles. Please pray for full recovery, comfort, and rest. Clive wants to thank us for the prayers and is much improved!

**Pat** – chronic migraines, rheumatoid arthritis, severe amount of pain.

**Judy** – Riverside East Assisted Living Facility in Bothell (next to Bothell Senior Center). Judy can receive visitors. Please call before visitation due to possible Covid-19 restrictions.

**Deanna** – post-acute Covid syndrome, after-effects of a past concussion, and wrist surgery. Deanna thanks everyone for their prayers and concern.

### **A BENEVOLENT OPPORTUNITY**

The northern Philippines was hit hard by a tropical storm and there is still an ongoing benevolent need. We received word that a preacher received and was able to distribute a large amount of rice. If you can help, you can do so by indicating in your giving through Realm or add a note on your check stating you would like for it to go for this purpose.
