**Barry and Caitlyn** are traveling through Sept. 11 and enjoying some time away.

**Ben** worshipped with us this summer while interning at Microsoft. He's returning to Indiana where he graduated from Purdue and this will be his last Sunday here. He leaves soon for the UK to attend school at Oxford where he'll work towards his doctorate over the next four years. We will miss Ben and appreciate his faithfulness and bid him God-speed.

**Mariana** is in Scotland with Barb Bley (cousin) until September 20<sup>th</sup>. **Lance** is in Spokane this weekend to visit with his aunt Edna.

### Prayer Requests:

**Marco** has been visiting with us on Sundays. He asks for prayers for patience and to find what is missing in his life. Marco is thinking very seriously about becoming a Christian soon and putting on Christ in baptism.

**Gary** needs our prayers. He had an MRI last week which showed that a rib was broken. It will heal but it takes a long time. It also looks like the two spots on his spine may not have cancer after all, which is a relief. Gary tries to attend services when he can. Gary appreciates all the cards and expressions of concern for him.

We are so thankful that **Alison** has recovered from her short-term memory issues. Thankfully, the doctors say it is rare for it to reoccur in the future. We are thrilled for the Miller family that this is behind them. Praise God!

**Nichol's friend, Melissa**, was released from the hospital but still requires others to do most physical things for her. She attended a staff meeting for an hour and was able to attend her school's "Meet and Greet" Wednesday evening. She continues to need prayers for strength and recovery, and that this set of medication will restore her heart to normal functioning over time.

**Mariana** requests prayers for her cousin, **Karen**, who has cancer and is not expected to live much longer. Karen is in hospice care. Prayers for Karen's comfort and softening of the heart, and for Mariana to find the right words of comfort.

**Jeanie** is improving and is expected to return home this Sunday, Sept. 4<sup>th</sup>. She still has weakness and needs to continue PT. Her son, Kelly, will stay with her for a while, as they work out the arrangements for her care. Pray for a speedy recovery! Cards can now be sent to her home. Thanks so much for everyone's outreach to Jeanie.

Continue to pray for **Hannah**. She is staying with her dad and continuing with her health condition.

**Hunter**, Brent and Gail's grandchild, is making great progress and gaining weight. Brad and Allison were very touched by the many cards they received from the Kirkland church family. Thank you so much for your concern for them and for baby Hunter.

**Norma** continues to heal from her foot injury which is improving. She can walk without her crutches and can take the boot off to drive her car. Norma rented a mother-in-law apartment in Bellevue while repairs are being made to her condo, which haven't yet started. She hopes to move back in by Christmas. Her family has visited at times to assist her. We miss Norma when she is away from us!

**Marda** had successful surgery on her foot last Tuesday and is recovering well at home.

#### **Continuing Prayer Needs:**

**Sina** (Alphie's mom) – kidney failure, on the kidney transplant list. Alphie said she is doing better. Cards are appreciated.

**Michell** - overwhelmed with family and work pressures. Pursuing new employment opportunities.

**Glen** (a relative of Clinton's family) prostate cancer. Treatments will continue for a couple of years. Glen says he is feeling much better already. Glen, and the entire family, appreciate prayers for complete healing, peace, and comfort.

**Lalaneya** – quick healing for her foot/ankle which she hurt in a recent fall. SIBO and treatment.

**Deanna** – continues to search for answers for post-acute Covid syndrome and the after-effects of a past concussion. Deanna thanks everyone for their prayers and concern.

**Liz** – chronic pain. Continues to search for help from pain specialists. Liz is taking care of Deanna (her daughter), and her ex-husband who relies on Liz to assist him during cancer treatment.

**Paul** – is grieving due to the loss of his beloved dog. He continues to experience acute back pain. He's been diagnosed with some heart problems. Our brother Paul needs encouragement. Reach out to him and let him know he is loved and missed. Paul really appreciated the prayer quilt he received from the congregation recently.

#### **A BENEVOLENT OPPORTUNITY**

The northern Philippines was hit hard by a tropical storm. There is a need for assistance both through prayer and financial help. If you can help, you can do so by indicating in your giving through Realm or add a note on your check stating you would like for it to go for this purpose. See the note below from a preacher in the area:

"We thank God for His protection, but Typhoon Florita devastated crops and some properties. There are many places here in Cagayan and nearby provinces that are underwater due to heavy rainfall. The brethren in Campo are also affected. Crops of rice and corn and severely damaged.

Brethren, we are humbly appealing for help, we need your prayers and financial assistance for food. We appreciate individual Christians there who could be of help. We are thankful for whatever amount you can extend."
