NOTE FOR THIS NEW YEAR: Beloved, the new year stands before us, like a chapter in a book, waiting to be written! We can help write that story by setting meaningful goals for the coming year that will give glory to God! May we all remember to "Set our affections on things above" (Col 3:2) as we look to the coming year! Brent

Congratulations! Haley & Michael will marry on Jan. 9, 2021. They plan to have an intimate ceremony with family at a cabin in the mountains. We are happy for Haley and the Brown family and pray God's blessings on the upcoming wedding and on Haley's and Michael's future marriage.

PRAYER REQUESTS:

Diane was released from the hospital and recuperating at Barry's. She is still facing multiple challenges, especially with her nutritional needs. She is still very vulnerable to illnesses and it is now a matter of work and prayers. Please, no visitors for the foreseeable future. Please continue to pray for health and recovery.

Sheila R-S has found an affordable home in Louisiana and plans to move January 5th. It is a long drive from here and she will make the road trip with her cousin. She found a faithful church there and regrets she must move from the area. We bid Sheila God-speed on her new journey and new life in Louisiana. Sheila's family is still in the area, so she plans to visit us again frequently.

We are happy **Peter** is able to be with us after being hospitalized with kidney stones over the holidays!

Pete (Rachel's father) is in complete remission after a recent PET scan. The chemo deadened the nerves in his fingers so simple tasks such as buttoning his shirts are a problem. Please continue to pray for Pete, he has a long road of recovery ahead of him. They are grateful for all the cards, calls, and prayers they have received.

Warren, preacher in Arkansas and friend of the Clarks, tested positive for Covid, has pneumonia, and is currently in the hospital on oxygen and IV fluids. His wife also has Covid & strep. Her symptoms are mild and the strep is causing more troubles.

Bryan recently had polyps removed and they expect them to be benign. Results should be in this week.

Michell requests that doors will open for her daughter to be able to attend a private Christian school. She feels this will be best for Jacklyn's well-being. Michell also struggles with an autoimmune disorder and needs direction concerning her job and other important life choices.

Pray for our country, church, and leaders during these troubling times.

Pray for a quick resolution to the pandemic and that Satan will not be able to use this health crisis to divide or weaken our church family. **Please remember especially our members who are quarantined alone.**
